Phone \_\_\_\_\_ Email(s) \_\_\_\_\_

### 2012 CSA OPTIONS:

**Full Season CSA:** Weekly pickups of our own Certified Organic produce will start in mid-May and go through the end of October (24 weeks). Each week you'll get a mix of 5-10 different vegetables and the variety and quantity will change according to the season. Choose from a Whole Share for \$625 or a Half Share for \$350.

**Farmstand CSA:** A more flexible option: \$350 gets you a \$400 debit card, redeemable for any item whenever the farmstand is open, all season long. You choose what veggies you like and when you want them.

**Flower CSA:** Ten weeks of beautiful bouquets from July to mid September for \$125.

**Winter CSA:** Saving the best for last, the Winter CSA runs for 8 weeks, November-December. For \$175, a share will include lots of greens, roots, and winter squash and average \$20-\$25 worth of produce each week. For the Winter CSA we may supplement our own vegetables with produce from other local farms.

**Ashmont Farmers Market CSA:** Weekly pickups of our own Certified Organic produce at the Ashmont/Peabody Square Farmers Market on Fridays, 3-7pm from July-October (15 weeks). Choose from a Whole Share for \$450 or Half Share for \$250.

All members will receive a weekly newsletter with farm updates and recipes, plus invitations to other farm events. Primary communication will be via email.

**PICKUP DAY:** Full Season CSA, Flower CSA & Winter CSA folks: Choose a day to pick up your weekly share during regular hours at our farmstand at 209 Washington St (Route 138).

\_\_\_ Tuesday      \_\_\_ Wednesday      \_\_\_ Thursday      \_\_\_ Friday  
\_\_\_ Pick a day for me! (We'll let you know before pickups start in May.)
