

Langwater Farm is hiring for 2023 and beyond. Langwater is a growing & thriving family business on 85 acres in Easton, MA. We grow Certified Organic and year-round, bringing high-quality vegetables, herbs, flowers, and fruit to thousands of households in Boston, Providence, and our surrounding communities. Growing nutritious and delicious produce is our passion and we take our responsibilities to our land and our community very seriously. Our markets include a 500-member CSA, a busy Farmstand, restaurants, wholesale, and 4 weekly farmers markets.

If you're looking to do meaningful and impactful work, join us and help transform this corner of the food system.

We're seeking experienced candidates to round out our team:

- Assistant Greenhouse Manager

*To apply, submit a letter of interest, resume, and 2 relevant references to [thefarmers@langwaterfarm.com](mailto:thefarmers@langwaterfarm.com). Please include the position title in the subject line. Applications will be accepted until the position is filled. For more information on the farm, visit [www.langwaterfarm.com](http://www.langwaterfarm.com).*

# **ASSISTANT GREENHOUSE MANAGER**

## **Responsibilities**

The LWF Assistant Greenhouse Manager assists the Greenhouse Manager in greenhouse-based transplant production for 50 acres of crop production and retail plant sales. This includes, but is not limited to: inventorying and sourcing all greenhouse supplies, implementing propagation schedules, greenhouse record keeping, monitoring greenhouse sensors and equipment, cleaning and sanitizing equipment and propagation trays, pest and disease scouting, and watering.

The Assistant Greenhouse Manager trains and supervises seasonal staff in greenhouse protocols, propagation techniques, watering, and venting. Critically, the Assistant Greenhouse Manager maintains communication with the rest of the management team to ensure timely coordination of transplant production and field preparation. Additionally, the Assistant Greenhouse Manager assists with greenhouse and high tunnel based greens production for winter retail sales.

## **Qualifications**

- 2+ years experience in organic agriculture
- Strong understanding of and skillset in greenhouse transplant production, including cultural practices for Organic production
- High level of organization, record keeping, and impeccable attention to detail
- Strong motivation to see tasks through to completion while maintaining high crew morale
- Ability to communicate clearly and train others in greenhouse protocols
- Experience with high tunnel greens production preferred but not required
- Willingness to “wear multiple hats” and contribute to other aspects of the farm

## **Schedule**

This is a full-time, full-season position with the potential for year-round work for the right candidate. Our daily schedule is seasonally variable with a

start-time beginning at 8:00 am and moving to 6:00 am by the height of the season.

The Assistant Greenhouse Manager joins us in late February and works full-time (40-60 hours/week) through Thanksgiving. The Assistant Greenhouse Manager works 5-6 days per week, with Saturdays required. Thanksgiving through the end of the year will be part-time (20-30 hours/week). Part-time, off-season work (January-February) is available for the right candidate. Off-season work includes harvesting greens, packing wholesale orders and staffing winter markets. Outside of the peak greenhouse season (February - June), the Assistant Greenhouse Manager steps into other roles at the farm (depending on the individual's skills and interests). This position may be combined with another management role at the farm for the right candidate.

### **Compensation**

We offer a competitive hourly wage commensurate with experience. Additionally, all employees enjoy free and discounted veggies and food from our Farmstore. LWF management staff are encouraged to participate in relevant professional development opportunities.
